Congrats to the  
2023 UConn Men's  
Basketball Team  
for winning the  
NCAA Tournament!

1. Connecticut is one of the 50 states in the United States of America, located in the northeastern region of the country.
2. It is the third smallest state in the U.S. in terms of land area, but has the fourth highest population density.
3. Connecticut is known as the "Constitution State" because it is believed that the Fundamental Orders of Connecticut, adopted in 1639, were the first written constitution in the world.
4. The state is famous for its role in the American Revolution, as many key battles were fought there, including the Battle of Ridgefield and the Siege of Fort Griswold.
5. Some of the famous people from Connecticut include Mark Twain, Katharine Hepburn, and Harriet Beecher Stowe.
